Subject: [EXTERNAL] FOIA for NSPS OOOOA Facilities

The U.S. Environmental Protection Agency has received a request under the Freedom of Information Act (FOIA) for records containing information related to certain compliance records submitted to the EPA under the New Source Performance Standard (NSPS) for Oil and Gas (NSPS OOOOa). This FOIA request is attached. The records requested include results of performance tests, initial semiannual reports for gas plants, semiannual reports for gas plants, annual reports and annual reports of excess emissions for sweetening units.

We believe you may have made a submittal under one or more of the provisions §§60.5422a(b), 60.5422a(a), 60.5420a(b), or 60.5423a(b).

By your response to this email, please indicate whether you wish to assert a confidential business information (CBI) claim with respect to any portion of report submitted under §§60.5422a(b), 60.5422a(a), 60.5420a(b), or 60.5423a(b) or any

addendum, update or attachment to report, that your company has submitted to EPA.

If you decide to such a claim the EPA will temporarily treat the reports that you identify, and its updates, attachments and addenda, as confidential pending further investigation by the EPA. Please be advised that as part of such further investigation EPA is likely to request (in a subsequent communication) that you substantiate any CBI claim. If you do not assert a timely (see below) CBI claim with respect to any portion of a report or its addenda, updates or attachments, as described above, those records may be released to the requestor without further notice if EPA determines that the records are responsive to the FOIA request.

You have been identified by EPA as the responsible corporate official, under the FOIA regulations in 5 U.S.C. 552. Any CBI claim your company wishes to assert must be brought to the EPA's attention (by response to this email) no later than the close of business on the third working day from the date of this receipt by the responsible official (not including weekends). If you have any questions regarding this matter, please contact Eric Cederholm, cederholm.eric@epa.gov <<mailto:cederholm.eric@epa.gov>> and 312-886-0221.
